“ *The Bohannon boys played a lot of baseball at Aaron's place in the late 50's-early 60's. I was a little younger than the others, but tempered my skills hitting. The only way you could hit the ball and not get out was down the middle. On the left would be in the apple trees to the right was woods if you didn't hit it down the middle you were out. Thanks Aaron for everything and loads of fun.*

Many years have gone by, but have fond memories of riding in your car and baseball.

“ *Julia, I am so sorry to hear about Aaron's passing. Know that you are in my thoughts and prayers, and if I didn't have to wear oxygen 24/7, I would be there to let you know how much you mean to me and support you during this difficult time. Love, Susie*
