“ Andrew I can't push myself to believe that your gone it was just so sudden a few days before our date. And I miss you so much I will never forget you and I hope one day I will see you again I love you so much it's just so unreal. It's so heartbreaking. I wish you were here I can picture you in a cap and gown with a smile on your face walking across stage and it's tragic to know I will never get to see you do so. Andrew I love you always and forever.
