“ We are so very sorry to hear about Barbara. She was such a big part of our lives when we lived in Ranger. I loved every afternoon when we would walk & of course talk. She was always thinkin' of our girls when she would on vacations, she'd always bring them back some little something. She told me alot about Troy's mom, whom had passed away when he was 16. And also our girls , how much Aileen, Troy's mom, would have loved them. It breaks our hearts that we didn't find out about it until now, we would have been there . God bless you all!
