“ *Jeff, Benny and families, I had an email from Edna Watts in Fairmount about Ben so I called Patsy to get the details. I was so sorry to hear about your dad. I tried to get up there to see him and now sorry that we kept putting it off. The weather is very bad here and predictions for the weekend are worse but we will come to the funeral if possible. We love you very much and know that you meant a lot to our mother.
Love, Elaine*
