“ *I write this in memory of my dear sweet moma. I love you Moma so very much. I miss you already more than words could ever say. I know you are safe now and in the arms of Jesus. I know as hard as this is to say and as much as I want you back here with all of us I would never want you to come and leave the beauty of where you are now . I will miss you and do miss you so much. It is so hard to be with out you I feel my heart has been ripped into pieces. I know you knew how much we all loved you. Until we meet again. I love you. Trish*
