“Betty was such a precious soul. She was always doing a work for the lord including going to the nursing home and helping me sing. Kelsi said she had a picture that one of the residents had drawn her on her fridge. She was a devoted mother and grandmother and I know that you guys will miss her. But, I know that Betty went to sleep in Jesus in peace knowing that her whole family was in church and living for the lord. What more could one ask for? Keep going for Jesus.....and we will meet Betty gether again in that great reunion in the sky. I love you all Melinda, Delores, and family and know that me and Brian are praying for you.
