“ Dear Phyliss, I am so sorry to hear of the loss of Brandon. That just breaks my heart.
I am sorry that we have lost contact over the years. I have thought of you often. I wish there were words that I could says that would make this better or to make it go away but there are none. I only know for sure that God will be with you through it all and you need to turn to him for understanding.
I always thought of the kids as one of mine down in Spring Valley. I loved all three of them. Will you give them my love and my condolences? I will keep you all in my prayers.
