“ *He was a strong man and very independent and I learned to respect his integrity. I worked for him for almost 2 yrs as what I called a girl friday, 2 days a wk. I took him to get groceries and to pick up his lunch at one of the local restaurants. I told him he had taught me all the back roads of Calhoun. I don't think he thought I was a very good driver. Once we were driving home and the sun was shining through the windshield and he said "I'm sleepy" and I said "Well, why don't you just take a nap" and he responded "m afraid I'll miss the wreck". I said "Do you know what the initials S.A. stand for" and he said "I have a pretty good idea." I will have fond memories of Carl. To you his family just know that he loved you . As he talked about each of you I heard the pride in his voice. I know your grief is fresh now but I pray got will the comfort you. Sincerely, Joan Dutton*
