“ Jordan lived with my family (Allen and Lona Fowler) for a brief time while recovering from some health problems. I remember Uncle Jordan as a quiet man with a nice smile. He enjoyed mom's cooking when he stayed with us. I also remember his children when we would have family reunions at the Sluder grandparents house- Easter egg hunts bring back fond memories of all the cousins playing and of course eating all the great food the aunts would bring. I pray for his sons in their loss of their father. May God comfort your families during this time.
