“ Our thoughts and prayers go out to the entire Dutton family. David liked to talk to Mr. Dutton about rabbit hunting. I have known the family all my life and some of the grandchildren played ball with our boys we had some good times together. I know that God is with you at this time.

“ Junior Dutton and his fishing rods have been a fixture at the lake since we first met him in the late 90s. We can't imagine what its going to be like to look at his dock and not see him on it; it will NEVER be the same. Junior was one of a kind. They just don't make them like him anymore, and it was our absolute pleasure to have known him. RIP Junior. You were loved by so many. Our hearts go out to the Dutton family..... Love, Ray & Therese
