“ Dear Susan, Caleb, Jen and lil Blair... I send to you my love, condolences and prayers. Lamar was a wonderful gentleman. Smile because he Lived
You can shed tears that he is gone, or you can smile because he lived, You can close your eyes and pray that he will come back, or you can open your eyes and see all that he has left.
Your heart can be empty because you can't see him, or you can be full of the love that you shared, You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday.
You can remember him and only that he is gone, or you can cherish his memory and let it live on. You can cry and close your mind, be empty and turn back, or you can do what he would want: Smile, open your eyes, love and go on.
Always in my heart, Sophia

“ The past two days I've spent remembering how good Craig was to all of us kids growing up. Whether it was helping us organize a Sunday afternoon softball game out in the field or throwing the BEST Halloween parties ever, he always seemed to enjoy doing fun stuff with us. I feel bad that as we've all grown up, our little gang has drifted apart and we haven't gotten together more often in recent years. But I'm glad that we'll always have those good memories to hold on to.
