“ Thinking of you today. Curtis, my cousin, and I and our siblings spent many holidays together at Grandma Henderson's house in the 1940's and 1950's. He was always special. May God's peace and comfort be with you today and in the days to come.

“ *He was a wonderful person who always loved to cut up and joke with everyone. He treated everyone with love. He loved his family so much it didn't matter the miles between them he always had them in his heart, in his prayers and on his mind.*
