“ *Worked with David for about 3 years at DCM. Great Guy! We were a good team and he always had my back. Worked together daily and laid a little carpet together. Going to miss this man. Glad I had the oppotunity to know him. Learned alot from him about things from work to life. I know he loved his wife and was very proud of his children. Let's all celebrate what he gave to us.*

“ *David Barton was a great teammate of mine, and was always smiling. He had a calm approach to both softball and golf. When he stepped into the batters box, or the tee box, he was always focused, and was a great competitor. I would see him most weekends ready to challenge anyone on the course. He will be missed dearly...*
