“ It was a pleasure to meet David and his family and to have the opportunity to be the nurse that could make a difference in his life though it was way to short. We had a great time talking, cutting up and I will never ever forget his jokes and will do exactly as he told me to and look after Lilian and Jane. David I know what I've got to do. That was my promise, so I hope your proud your adopted VSB daughter :) I will never forget you AH my adoptive dad and I am so glad you are at peace with the Lord and running around not hurting and suffering any longer. Do me a favor while you are up there, could you be my guardian angel too and make sure I stay in line because I surely know you would if you were here with us. I love you and miss our talks so much. RIP!
