“ We love & miss you uncle Nate. You are in such a much better place buddy & I know mawmaw, pawpaw & Raye were greeting you @ those pearly gates. Me & Misty have had some of the best laughs talking about our memories with you. Now don't you eat Heaven out of food. You want have to worry about always being hot nor fussing for me to change that t.v channel b/c you were so tired of watching the same thing over & over when I'd come by to bring you food. (we know you would get so sick of watching CNN & I don't blame you)
