“ Jay and momma gave me a place to go when i didn't have anywhere to go. I will never be able to repay the kindness that family showed me when i was at a difficult time in my life. During that time i saw a lady fighting daily just to maintain, and it had a profound affect on me. I am a better person for having had you in my life. And thanks for the best friend a fella could have. Love you momma, love you Jay.
