“ In early December my husband was hospitalized at Gordon Hospital and was placed under Deloris' care. He loved her and told me everyday how wonderful she was and what good care she was taking of him. He was shocked and saddened to see that she had passed. He wants her family to know how special she was. She had a special energy and compassion for her patients and we feel certain she helped my husband recover. We are sorry for your loss of this special lady. Karen and Michael Llop

“ Donald, Tonuya and Patty, First I would like to say Delores was my first cousin but most she was a beautiful person. She was like a sister and when we got together we laughed and enjoyed life. Remember Delores in your heart and never forget how beautiful she was both on the inside and outside. I will miss my sister but she will always be in my heart and a picture in my mind. My heart and prayers go out to you. Jim

“ I love Dee with all of my heart. I still feel like I am going to wake up at any minute and she is going to be standing right there beside me. We have had some great times together. We have laughed and cried together. Not a day went by that I didn't see her or talk to her on the phone. I am truly a better person for knowing her. She will be missed so much. I love you Dee!!

“ *Walter&Patty,
I would like to express my sincerest condolences on the recent passing of your Mother in law.
As you know, it was not too long ago that my own grandfather passed away, so I empathize with what you and your family are going through. No comfort is quite enough to replace the loss.
Please pass my deepest sympathies and love on to your children, sister in law and there families.
Very sincerely,
Eddy Hilton*
