“ *Dennis, I remember when I came to see you and my 3 boys got to meet you while you was in the hospital. The first thing I noticed is that big smile and puzzled look on your face when you saw me and my 3 boys. My mom Sheila asked do you know who this is you looked and smiled even bigger and said yeaaa I know who this is that's Tiff. No matter how sick or how much pain you was in you still had this big smile. I wanted to be at your funeral but work wouldn't let me. I'm so sorry. We will always carry you in our hearts and you will always be missed. Rest in peace Dennis.*
