“ I know that God has a reason for everything that happens in our lives and there are times when we can't see that. This is definitely one of those moments. I don't know how we'll get by without you and Poppy. I know that you're happy in heaven with your family. I can't imagine how hard it was to make it as long as you did without Poppy by your side. I love you and miss you very much Mom-Mom. I'll see you again in heaven.
