“ My heart goes out to the family of Peco. If they are anything I can do to ease the pain in losing a close one , Please let me know. In this time place your faith in God he will make a way in this time of need. I will be praying for the family in this time. In times like this we can look back and allow Pecos spirit to live on. By allowing him to live through the family. We can do this by keeping his happiest memories alive in spirit and in truth. May God Bless you all.

“ Thinking about you during your time of loss. He is not in pain any more and is not suffering no more. That is the way he would have wanted it. Even though his time came during the holiday, he left behind the most important gift of all. His love for each and every one of you. Never forget that. Carry it with you each and every day and you will make it through the day.
