“ Betty and I would like to say that it's with great sorrow that we received the news of Sister Dodds going to be with her and all of those who know Christ as Lord and Saviors. Sister Dodd was a great influence in the early years of my ministry, and has continually been in our thoughts and prayers over the years. I having lost my own mother a few years back can feel the pain that you feel at this time. But it's with great joy that we can say to those that are left behind, look up for our redemption draweth nigh when we shall see them again, and hallelujah to Christ our Savior also.

“ I was very sad to hear of Miss Dodd's passing... I have known her most of my life and was related to her through the bagleys. I used to play at her house as a kid with my friend Judy Warren. We used to play ball and stuff in the front yard. I mainly remember Hope, carol and Ronnie... I have always just loved Miss Dodd as I called her. She always remembered me and always had a hug for me and kind words... She was a wonderful lady. and I will always remember her. I have always thought about her from time to time through the years. She was a fine lady.
