“ *To the family, I just loved Mr. Stancell. I had wondered what had happened to him. Usally he's coming to the pharmacy or someone is brining him. I really hate that I did'nt know that he had been at Gordon Health Care, I would have went & saw him. I have had many, many talks with him & laughs. I KNOW he is so HAPPY now because he is with his LORD & his little Wife whom he loves so much;)*
