“ *Dear Family, Words cannot express how grateful that I am that you have included me in this time at the end of our Mother's days here on earth. Knowing that we will all be together in a better place gives me peace, as I know it did her. Your love towards me has helped me tremendously especially because I am unable to be there with you at this time. My heart and my love is there with you. The obituary you wrote is beautiful just like our Mom. God Bless you and give you peace during the difficult days ahead. With all my love,  
Leah*
