“ I was so sorry to hear of Gloria's passing did not have any idea until this evening when I went into Wal-mart. I knew I had not seen her the last couple of times I went in there. I got to know her from there and she was always so nice & sweet and she was always talking about her family, one of the last times I talked to her she was worried about her husband because she said he had not been feeling good. I will dearly miss seeing her and talking to her when I go into wal-mart. You will all be in my thoughts and prayers. God bless you all!!

“I have known Gloria for over twenty years, I first met her at The Hair Shop, where I did her hair several times, and she was definitely a perfectionist. Also, she was a genuine lady and friendly to everyone. I would see her at Walmart and we would talk. She will be missed. My condolences and prayers will be you all.
