“ Sending our thoughts and prayers for your family. I met Grady several years ago while researching my Goble ancestors. He and Rachel pulled out the precious Goble family bible from my great great grandmother, Nancy Ann Baxter Goble, and all her heirlooms they had taken such good care of. “ Uncle Grady, you will be sorely missed! You were a person to look up to, such a strong heart, full of love for your family. We will miss your stories and your huge smile. I don't think you know it but you put a huge impression on our kids in just the one visit to your home. Memories they will always have and very similar to the ones that live with me from the summer vacations we had with you and Grandpa Joe.

*Rest in peace. We love you! Jim, Wende, Aaron and Molli Goble*

*I'm dedicating my yoga practice tonight to the soft hearted soul of my Uncle Grady that passed away today. Riding your big tractor on your lap around the farm will forever be in my heart. Wish I could have seen you to say one last goodbye, but your love will forever be imprinted in my life!*

“ Dear Cathy & Family,  
I want to let you all know that my thoughts  
and prayers are with you at this time.  
Because I work late, I will be unable to come  
to visiting hours. I know how difficult it is to  
lose a loved one - especially a parent. Again, I'll be praying for you.

“ I will miss Mr. Grady. He was a very kind and nice man. Him and Miss Rachel were two peas in a pod. They were always watching out for each other. Such a beautiful couple. I only pray to have as many years together as they did. Please know that my heart breaks for you all for I know how it feels just losing my Daddy last year. I pray that God gives you strength and heals your broken hearts~~~~
