“ Well 5 years ago today you were taken away from us, it stil is a myster to me to what happend that night or why GOD decided to take you. I know he has a wonderful angel with him now and i bet you are doing lots of fishing in heaven. The kids are getting so big and they are doing good, Nathaniel reminds me more and more of you everyday that he grows. I still hear you laughing or just talking sometimes when i am sitting or driving down the road. I know there are things i never said to you and sometimes i wish i would have just said them no matter what you said in return, but i learned to never hold things in and always tell people how you feel or what you need to say so they know. I left alot unspoken and now i have made sure to keep a journal so my words and thoughts are out there if anything ever happens to me. I just wanted to let you know that there is not a day goes by that you are not thought of or talked about. I will never let your memory die!!!!

“ It is one of those days where i can't stop thinking about you or missing you. It has been almost 3 years and you are still missed and thought about alot. I can be sitting alone and still hear you laugh or see your face and i see you everyday in Nathaniel. He is getting so big and looks more and more like you, he even acts like you. I am going to be in trouble....lol. I sometimes feel so alone with you gone and the kids not being able to see you or talk to you. Delilah is getting big and her and Tristan talk about you all the time which makes it harder on me. Greg i never told you how much you really meant to me and how much i honestly loved you.

“ Greg, I miss you buddy. I was just remembering the ol' C.B. Radio days, we called you Wylie coyote. Of coarse I was guitar picker. I will never forget the times we had together. Kevin, you and Greg have always been like brothers to me, you still are. If you need to talk or just want to come over, come on. Linda same to you. We love you both. Greg we are looking to see you over in heaven. Tell Randall we'll see him when Jesus comes to get us.
