“ Buster was a sweet sweet soul. I got to know him at the nursing home, altho he had been friends with my daddy for many years. I grew to love Buster and looked forward to seeing him when I would go sing to the residents. His smile will be greatly missed.

“ I got to know Buster at Diprima's when it was located downtown. Many of us that worked downtown saw each other in the mornings, at lunch, and in the evenings when we would get off work. Buster was real nice to everyone. He will be missed.
