“Haskel is gone but will not be forgotten. I know he is in a better place. Through the many years we worked together I always saw a smile and a happy attitude. Even though sometimes it was hard to be positive he was. May he rest in piece.

“Kathy and family A wonderful man has been lost for a time to those who remain. He has gained what he worked so long to achieve, his reward in Heaven. Memories keep him alive until you meet again. I just want you to know there are those of us who can't be with you but are praying for you and love you very much.

Haskel seemed to love everyone and how he wished to see his children in church with him. Our goal is to see him in heaven again, We loved you Bro. Haskel the 'Rascal'
