“ Kristie, Jake and Wesley, Dale and I are so sorry for your loss and will continue to keep you in our thoughts and prayers. We could see the love James had for each one of you and the love for life that he had. In the short time that we really got to know and be around him we truly enjoyed every minute. He was such a fun guy to be around. I will never forget how he liked to pick on Roxi. Take these precious memories and hold them dear to your heart during this time of grief. Please know that if you ever need anything we are only a phone call away. We love you.

“*Kristie, Jake & Wesley, James will be sorely missed. His liveliness and joking personality always improved the mood of the people around him. The words charisma, charm, fun, and intelligent come to mind when I think of James. Just thinking of some of his ‘phrases’ brings a smile to my face. James had a big heart and passionately loved his wife and two boys. He was an incredibly proud father, and thought of his wife to be more valuable than gold. I respected James and considered him my friend. My family will remember you all in our prayers.*”
