“ I grew up with Kim & have known her for 20 years. She is a sister to me and one of my closest & best friends! She always filtered out my bad choices in women & always has a story to take your mind off of anything that may be putting you in a bad way and could make you smile on your worst day! I will deeply miss & always love Kimbo! She is & will always be my sister & always in my heart & my head (keeping an eye on my choices) no matter where I am! Love you Kimbo!
