“ Lois was a special person. You have heard the saying that your life might be the only Bible that some people read, than her walk in this life would have been a good example for us to follow. She has always been very special to me throughout my life and I will miss her but I know she was ready. She has run the race, kept the faith, and now she can rest.

“ I'll always remember Mrs Coggins as the Popcorn Lady. We always took the girls to her house on Halloween, they loved it. Not many people had you come in and set for awhile while you were trick or treating but she did. That's something our girls will always have to remember. The sweet little lady that gave them popcorn & apples & invited then into her home. God be with the family~~~
