“ I was saddened to hear of Lorean's death too late to attend services. I met Lorean and Clyde many years ago through my mother, Jackie Burnette Ralston and later became her & Clyde's neighbors when we built down the road from them. She was always a loving and kind lady who shared so many stories of our property and even walked it with us showing us her grapevines, special flowering plants, etc. Our visit was never complete until she was sure we'd enjoyed some of her home cooking, usually a piece of cake or pie just baked by her. She will be fondly remembered and missed by many in our community.
