“ *It's been 2 months now since God called you home Momma, and the pain just gets worse. I've always heard that time heals everything but now I know that's a lie. The pain your children feel in their hearts will never go away until we're with you again. Our hearts are forever broken and our lives forever changed. You meant more to us than you could ever imagine. I know we will be reunited one sweet day but until then, I'm forever missing you Momma.*
