“ I offer my prayers to his family and friends I was blessed to meet Mark in 1997 and we have been friends ever since. He was a great father and a good man it was on honor to have known and worked with him. You could count on a smile from him always. He will be missed greatly. Jose

“ To Mark's Family...I am truley sorry for your loss. Mark was a wonderful man and I and others will miss him terribly. I've seen him with his daughter in our office and it would bring a smile to my face. She would roll her bottom lip out, then he would. You could see their connection. I knew he was special from the first moment I spoke to him on the phone. He was my best friend and confidante. He was always there when I needed him. I'm glad I was able to have him in my life for such a short time. mua!

“ Mark, was a very dear friend to me. I've know Mark for about 4yrs. in that time he became my Best Friend with the first time I met him. He did some work on my airplane. Then I went to work for him. I've always said that I can't work with Friends, but Mark was diffrent, he was a Special Friend to me and I will Miss Him Very Much. He always would do what he could to help out those that needed it. I've seen him give guys a job and teach them what they needed, to do the job. He was one of a kind. His smile was one that could light up a room. He worked hard and played hard. If the weather was good, you could find him on the golf course. He loved to fly. I even got to take him up in my plane twice. That brings back good memories for me. I have alot of good memories with Mark. We had a good time working together. He was not a boss to me: Mark was a Brother. No matter what the job, had to be done correct. He could do so many things. All he had to do was just think. No one knows just how many Lives that he touched. So many people knew Mark and had alot of respect for his knowledge of Aircraft.
I will Miss You Kim {your sister}

“ Doug and Mildred, may I share my condolences to you and your family. Mark was a true friend, from Elementary School, High School and up until we both joined the Air Force. As I look through our class year books they bring back just a few memories of the challenges, happiness and success we shared. He is a true and dear friend that will not be forgotten. God Bless

“ I went to school with Mark. I was listening to the radio Monday morning, when I heard about Mark passing. I am still in shock! It is so hard to believe. The last time I saw Mark was at our 10 year reunion. He hadn't changed a bit...just got taller! Mark was a great person. My thoughts are with all of you. He will be missed!

“ My sympathies and condolences go out to Marks family. We just can't understand why God would take someone so loved from us. We never know HIS master plan. We just know that our hearts are broken and this pain will never go away.

I met Mark about 15 years ago when I worked for Hangar One. I was the Avionics Install Foreman at the Fulton county shop and Mark worked at the PDK shop. There were times that our shop would get overloaded with work and Mark would come over and bail us out. Needless to say we were tired, overworked and just burnt out. Mark would show up with fresh ideas, energy and that friendly smile. "How can I help Bob". He was always a great asset to have on your team.

Over the years I've seen Mark at various airports in the Atlanta area. He always had that friendly smile, and was the first to stick out his hand in friendship. He'd also look you straight in the eyes and ask "How have you been". You knew he meant it and could tell it came from his heart, not some polite gesture.

I'll miss seeing him in my travels, but will see him again.

God Bless

“ I met Mark through basketball, we coached together and in all my years in coaching, I never met a finer person. He had a calm about him which is pretty remarkable givin the stressfull atmosphere of a basketball game. The kids respected and admired him and he will be missed by many more then one can imagine. He had an amazing relationship with his daughter and our thoughts and prayers need to be focused on the family.
I will never forget Mark and how he always managed to bring a smile to my face just being in his pressance....Sami and I will miss you
