“ I first met Martha in 2008 and will always remember her patience, her calm, kind ways, her willingness to help others and her dry sense of humor. So often Martha would quietly listen, taking in all the facts, and finally share her observation which was both amusing and directly to the point. These comments we so endearing, they brought laughter to many tense situations and were a true contribution to many Team disussions.

I will miss her and extend my deepest sympathy to her family. May your many fond memories of her quicky replace your sadness.

“ I'm so sorry to hear this news. I first met Martha in 2008 when I got hired in ALU. Martha was a kind and friendly lady. She was also a great teacher and have been very patient when training us the newbies how to do our job and get better at our job. She always had a smile and being very positive. She will be sorely missed by the Kanata team.

“ So very sorry to hear this news and mourn with you. I pray that the God of all comfort visits you during your sorrow, helps you mourn well and to rejoice. I worked with Martha at Lucent and was blessed to know her. She was an example for all to follow, beautiful through and through with a godly beauty. Martha was so very proud of her family. She always had a joy about her. Tough times could not come close to quenching it, rail as they may. Martha will not be forgotten.

Michael, my heart goes out to you. Martha's old team at Lucent will keep you, Ben, and precious Aubrey in our hearts and prayers.

Warmest Regards,

“ I am so sorry to hear this news. I worked with Martha for several years at Alcatel-Lucent. She was always so nice and had a smile on her face. We had our trying times as the company changed, and some difficult customer demands, but we we would talk about them and just laugh. She was an integral part of the team and she will be sorely missed. You and your family are in my prayers.

“ Michael, we are so saddened to hear of your family's loss. She was a very beautiful and kind person. I always enjoyed our conversations of laughter because she was a very dear friend to us all. She was vey much a woman who based her life on God. As she grew older with you she grew more and more into a woman who was ageless, whole, true and now is at rest. Many thoughts and prayers to you and especially her children.

“ Martha - a wonderful friend & coworker that I will always remember as a caring & loving person. We became close as the US support for the Canada team these past 4 years. I remember the inspirational & uplifting talks we shared together when one or both of us needed them. She was truly someone that left an impact on my life. She never complained when she wasn't feeling well - just asked that I keep her in my prayers which I did daily. I will miss her tremendously. My prayers are with you Mike & your children. May you trust in God to get you through the lost of your lovely wife.
