“ *Erwin Family,
I want each of you to know how much my heart breaks for you during this time. Mary Joe was a very precious lady. She taught me many things during our time together at Gordon Health care. Visiting each day was made much more pleasant by this special lady. We enjoyed many things. She helped take care of my Mom and make her days more pleasant. We shared many laughs, hugs, and thoughts. If only we had more people like Mary Joe, WHAT a wonderful place we would have. May God wrap his loving arms around you today and the days to come and give you peace, comfort and care as only he can do.*

“ Dear Sweet Mother,
I miss you already but I am thankful that your days of being tired and lonely are over. I am sure you, Daddy, Alice and the rest of your family and friends are having a grand welcoming party for you. The Lord needed help in tending to the rose garden and who better than you to do just that. Heaven is shining brighter with you, the most beautiful Angel of all, being there.
Thank you for all the sacrifices you made for me and the unconditional love you gave us all.
Love you to pieces!!
