“ Please accept our sympathy on the loss of such a wonderful,sweet lady and friend. She not only was our family friend for many years but also tied to some of our favorite,cherished memories that we will always be eternally grateful for. She baked my parents wedding cake and 23 years later graciously did my wedding cake right out of her own kitchen!Then years later was there to spoil our little boy with cake squares and frog cupcakes. I can only imagine her having cake in heaven with our families...such sweet thoughts.. With our most heartfelt condolences, Jeff & Jennifer Kirkland(granddaughter of Kenneth and Mae Jeffcoat)

“ *I am so sorry for your loss. Dennie was one of my favorite cousins. She always brightened my day and made me feel so special when I saw her. I will never forget her and my momma coming to Fitzgerald for my "capping ceremony" when I was in nursing school and she made me a "Twitty Bird" by hand. That meant so much to me.*
