“ *So sorry for your loss. You are in our thoughts and prayers. I have a lot of memories of Nevin. They lived beside us in Newtown. They were always great neighbors. I took care of his dog Max when he was in the Military. Had a lot of fun riding in his homemade vehicles. Mitch and Donna Roland*

“ *We wish to express our sympathy to the family of Nevin. We worked with him at Penske for several years and would bring him messed up trucks for sure. He always managed to correct the problems they were having. He was a good man and will be sorely missed by all who worked with him at Penske. “ Am so sorry about your family and the loss of a wonderful man, I have prayed ever since I heard he news. Shocking!! I knew Nevin for many years, We both worked at Penske and just to know Nevin was such an honor, Nevin always worked hard while at Penske and never heard him doing anything wrong and he was a joy to have around. Nevin would talk about his family and he was so proud of them. I may have met his wife at one of the Company gatherings but I don't know her. I might not know her but God does and I will be praying for her as well as anyone else in this family. Penske was a wonderful place to work and seeing a man so devoted to his family would warm your heart. May God be with all of the family and friends of Nevin. It is so sad to hear and hoping that it was just some kind of prank. Nevin you will be missed by a lot of people, all ways a gentleman and so very kind, I pray that somehow in some way to know what was so wrong that this could happen, Was a wonderful person to have known. With all of our prayers, I pray that your family will remember the good times. I have lost so many of my friends but this one I will miss. A loving man, a God fearing person and just an all around great person. Never saw him when he was not smileing.

“ *Deborah and family, I have known Nevin since he was about 8 years old. I taught him in Junior boys at Hall Memorial Baptist Church. I thought a lot of him and you and your family. When Kathy told me about his death I said no it's not Nevin it has to be someone else. I know you know the lord will be with you and will see you through this. He promised He would never leave you or forsake you. Keep trusting in him as I know you will. Love, Your friends in Christ, Larry and Kathy Brown*
