“ I was so sorry to hear about the passing of Nanny, I did not hear about it till Friday night, or I would have come to the viewing. My thoughts and prayers are with the family. I know you miss her, but she is with the Lord, and she is happy, I have no doubt. And you can see her again. I Love you all.

“ My heart breaks for you all. I know how much you all love Nanny and how much you will miss her. Just know that you haven't lost anyone if you know where they are; we are just not with them now. Hold on to the fact that you will be reunited some glad day and you will never have to say goodbye again. You all are in my prayers.
Love, Marsha
