“ *Louise and Leon, Robin and Dallas, and to the entire family of Robert:  
It was such a blessing to take care of Robert and spend time with your family. I will always smile when I think of him. I am so proud that he allowed me to be there in the times that we all shared. If you find in the days to come that you need me for anything I am always here. I will be thinking of him and your family and holding you close in prayer.*
