“ I'm so sorry to hear this. I went to school with Roy at Fairmount Elementary and haven't seen him since. Even as a child he was so bright and kind to everyone he met. I know he will be remembered for nothing but good times. Such a sweet soul, God knew that too. My thoughts and prayers are with you. Jaronda Crook

“ I know and love Roy through my Daughter, Kim. I know that he blessed and enriched all of the lives he touched in his short life, everywhere he went. I did get to spend some time with him recently and it was as if he had known me always. I felt his joy and his love immediately. Not very many people have that kind of love in their heart---love for all. As I type this, I know that Roy is looking down, painting a picture of all of our tears, but he wants us to dry our tears and rejoice because he is home with our Father.
