“*Mrs Baxter what an amazing women you were. I could call you my best friend but you were truly family to us. You said you could never take my mothers place but you stepped up and gave Mike and I motherly love and support and for Koty, you gave him your all. Everything a grandmother would do and more. Your absence is felt every day. I know Mr Baxter and mamma as well as your pups and family greeted you. I know you missed them dearly. I am thankful for the time we had to spend together. I love you and miss you everyday.*
