“ *Shelia was a member of the class of 1972. I had many classes with her during our high school years. We always had a lot of fun and she definitely entertained us. I was proud to consider her a friend. I haven't seen her much since graduation, just around town. I know she will be missed by many and we will add her name when we are remembering our 1972 classmates at this weekend's 1970's reunion. I think she would like that. I am so sorry for your loss.*
Sincerely, Debbie

“ Ricky & family, I was just thinking about you & Shelia the other day. About how I was over at your house alot when I was a kid. I loved Shelia, we had so much fun together. I guess because when I was 10 she was 15 and I thought she was a grown-up. And I love d Reecie & Ann too. You all were such a special part of my childhood. Bless you all!

“ Steve, Derrick, & Family
The guardian angels of life sometimes fly so high as to be beyond our sight, but they are always looking down upon us, without being seen, they are present with you. God bless you and your family.
