“Sherry's family has our family's prayers. We got to know Sherri at Dr. Van Horn's dental practice where she and Sandy took care of my family's dental needs with care and so much consideration. They were always professional, but fun also. They knew just what to say to my children to calm them down when they were scared of the dentist. She is and was a very special person, and will always be remembered with a smile when I think of her. I'm sure she is having a wonderful time in heaven.
Please accept my family's condolences. The Ricky, Kathy, Cassandra, and Katie Coggins family.
