“ Our sincere condolence to the family during this stressful time. We spoke with Stan weekly and he kept us up to date on his condition. No one ever had a more positive attitude going through the pain and suffering as Stan. He will be missed.

“ Noreen, Stan was a good man, a little opinionated and stubborn, but a good man. I can just imagine that he is on the back 9 of that big golf course in the sky. Even though we never did meet face to face, we did talk a lot on the phone over the years. I will never forget that Stan was the guy that convinced me to move my family to Ft. Madison, Iowa for Sheaffer Pen. Time has passed, and I have forgiven him for that. When he placed me a second time in Ft Lauderdale, Stan told me that I was now qualified to join his Christmas card list. In the last 15 years I never got a card!! Stan, try to stay out of trouble, don't argue with the BIG GUY, and I'll see you on the other side. God Bless Earl

“ The passing of Stan is a great loss to his family and friends. Stan was a one of a kind person. He was nationally known and respected in the Supply Chain recruitment field. He was know for his principles and his "tell it like it is" approach. He will be missed

“ Dear Noreen, Jay, and Katherine, I'm so sorry that Stan has gone, but he will always be with, looking out for you. He loved you so much! I enjoyed the 3+ years that we were phone and e-mail friends, and I'll miss all the laughs we had, even during the difficult times. He was a very special person.
