“ Dear Ray family,
We've enjoyed knowing Stanley in many ways. His helpfulness in repairing appliances was always appreciated but most of all his Christian witness and attitude was a blessing. We loved hearing him sing with the group from Newtown Church. May the Lord's comfort and blessings be upon all your family in this time of celebration of his life lived for The Father. If we can be of any help please let us know. In Him, Ruth and Alvin Wilson

“ My heart hurts for you and the kids. I will not say I know how you feel because I don't. I can't imagine watching or going through that, but let me say what we might can see that you can't right now. You don't know what was ahead of Stanley, and for God to save him by taking him that quick and with NO pain is an awesome miracle. My human side weeps so bad for you, Jason, and Tyler. I have cried, and know that can't compare to what you feel. Please just know that I am praying for your family and I love you and if you need anything please let me know. Even if it is just to scream why Lord, and being anger. Love you
