“ Steve and i became friends in one day. We sat on my porch and talked for awhile, then he drove me to see my doctor, he waited for me and then drove me home.He went to the pharmacy, picked up my medicine and brought it to me then we sat and talked some more.I realized that day what a kind and caring man he was. I have known Steve for many years but that one day was very special.One is lucky to find one true friend in a lifetime, I found one in a day. I will miss you my friend. Wayne Broyles
