“ I met Sybil one day at Calhoun Health Care Center, I was there visiting my Mother and she was there visiting her sister-in-law. We struck up a conversation and from that day forward we would always speak when we ran into each other. I remember everytime I would see her she had a smile on her face and a kind word. She always lifted my spirits. So sorry for your loss you are in my thoughts and prayers.

“ I have so many precious memories of Miss Sybil. She was my lunchroom lady for years, (she always gave me extra food) she made me feel loved and special and I didn't realize as a child that she was teaching me all about Gods love through her servant leadership. Later I attended Erwin Hill church with her for many years. She & her family have been a huge blessing to me & others. I am a believer in Christ because of her and her family. Thank you for your commitment to showing Gods love, our loss is Heavens gain. Sybil was never at a loss for words, I wish I had her memory, she didn't forget anyone. Hansel and Sybil have welcomed many into their home and made all of us feel like her own family. There's not enough space here to write all of the great things about this fine Lady. I love the Dutton Family, Hansel, Pat, Cindy, Pam, Sam & Troy, grandkids & great grandkids I will keep you in my prayers. A little bit of "Sybil" will live on for many years in each of us. May each of you draw near to Christ and may He comfort each of you during this difficult time.
