“ *I am very sorry for your loss. I know there are no words that can ever help make it better. I never had the pleasure of meeting Tasha. She worked for the same company as my daughter and she says she was a wonderful young woman. I know she will be truly missed. I pray for her 2 babies every day. Please let them know when they are older, what a good person their mother was and how she loved them. Her memory will forever be with you through them. God bless you all.*

“ *I'm very sorry to hear about such a young person in our extended family dying. I'll probably never know that side of my family but you are all family. Please accept my condolences.
My mother's father was Isaac Woodrow Holbert. I'm his oldest grandchild. I just wanted her immediate family to know we are thinking of you in this time of grief.*
