“ I will miss you so much. The last time I saw you I couldn't sit in your lap but I knew we were still best friends forever. I will remember all the wonderful days I spent growing up at your house. You were kind and honest with the best soul. You were a fisherman of God and spoke to people the best way you could through a wooden carved fish. You were a lot of things to a lot of people, but to me you were a pawpaw. I will know your there from time to time. I shall say hello as the feeling passes. With all the love I have your best friend.

“ So many fond memories over so many years. Helping me with my school art projects and picking me up from school if I was sick. I will never forget our long talks sitting out on the porch about the way things used to be, a simpler time. Precious memories. Love you Paw Paw.
